Dear Student/Parent or Guardian:
Regional Alliance for Healthy Schools (RAHS) are unique school-based health centers providing services at some public and community schools in southeastern Michigan. The goal of the Regional Alliance for Healthy Schools (RAHS) School Based Health Centers is to help improve the health and well-being of students and families. Healthy students are more successful in school.

What is the RAHS School-Based Health Center?
- Our health centers are staffed by physicians, nurse practitioners, and social workers and are available for your physical and mental health needs.
- The purpose of this program is to provide quality healthcare in friendly setting, at a time that is convenient to the student and family. The RAHS Health Center is NOT trying to replace your regular source of healthcare.
- The RAHS Health Center is open and available to ALL students at the current schools listed below.

What can I do to register?
- Please fill out the attached forms and return them to your school office or to the RAHS Health Center. The enclosed forms include:
  - Consent Forms
  - Health History Questionnaire
  - We also need a copy of the student’s health insurance card

What happens after I register?
- By completing the enclosed forms, the student may be seen at the RAHS Health Center during the school day for health concerns.
- If your child is in elementary school we ask that that a parent/guardian be available by phone if you are unable to attend the appointment with your child.
- The RAHS Health Center will bill your insurance company for services received in our centers.
- If your child attends Mitchell Elementary School he/she will be chaperoned to Scarlett Middle School by a RAHS personnel, School Nurse or other assigned Mitchell Elementary School employee.

How is private health information shared?
Please visit UMHS Notice of Privacy Practices Website Address: http://www.med.umich.edu/hipaa/UMHS-NPPEnglish.pdf or ask at the RAHS Health Center for a copy.
This notice describes how medical information may be shared. Please review it carefully.

General Consent for Healthcare Services

Medical services require a signed consent before services are provided. The following services are available:

- Physical exams
- Diagnosis and Management of acute and chronic illnesses/diseases
- Immunizations
- Dental and vision screenings
- Basic laboratory tests including urinalysis, glucose, rapid strep test, cholesterol, hemoglobin
- Venipuncture (Blood draws)
- Health Education or Activity Groups such as Walking Club, Nutrition Education, Anger Management, Asthma Program, Peer Mentoring, Mood and Movement, Youth Advisory Council, Bully Busters, and other groups as determined by need (some programs available to middle and high school students only)

Crisis interventions and emergency care do not require consent. Life-saving interventions MAY be initiated without prior consent. Services NOT provided at RAHS School Based Health Centers include dispensing contraception, abortion counseling, and long term psychotherapy.

Current Michigan Law mandates (requires) confidential services to minors in these areas: pregnancy, sexually transmitted infections (STI) and human immunodeficiency virus (HIV) testing and counseling.

I understand that under Michigan State law, in the event that a healthcare professional from the school based health center is exposed to blood or bodily fluids from a patient, testing (including HIV/AIDS) may be performed on a patient without consent.

I understand all RAHS medical records are part of the UMHS electronic medical records system.

I understand RAHS School Based Health Center will use the patient’s information as necessary to coordinate services at the school and for payment of services as outlined in the notice of privacy practices.
Assignment of Medical Benefits

Except as barred by any agreement between my insurance company and University of Michigan Hospitals and Health Centers (UMHHC) or by state or federal law, I understand that I will be responsible for my co-payments, deductibles or other charges for medical services not covered or paid by insurance or other third party payers. I assign all rights and benefits to UMHHC in order to facilitate reimbursement for health care services. I will help UMHHC follow up on these claims.

Notice of Privacy Practices Acknowledgement (Check only ONE):

☐ I would like to receive my copy of the UMHS Notice of Privacy Practices via e-mail at my e-mail address: _________________________________. I understand that if the e-mail fails, I will receive a copy of the notice via U.S. mail.

If my child is in elementary school I understand this consent will remain valid until my child enters middle school. I will be asked to complete another consent if there is RAHS School Based Health System available at my child’s new school. If the patient is in middle or high school, this consent will remain valid until the patient graduates. I may withdraw my consent for services by writing to the RAHS School Based Health Center at any time.

I am the patient (18 years or older) or legally authorized representative of the child listed above. I have reviewed and understand the services offered. I give consent to receive the services explained above.
